

MATERIAL SAFETY DATA SHEET

Green Blaster Products Mosquito Control Formula

Section 1-Chemical Product & Company Identification

Trade Name: Mosquito Control Formula
Product Description: A proprietary blend of water and natural enzymes. Contains no hazardous chemicals or petrochemicals.
Date: January 7, 2018
Manufacturer's Name: Mfd by GBP Port Chester, NY 10573

Section 2-Composition/Information of Ingredients

Bite Barrier 15, proprietary mix not hazardous per OSHA Hazard Com CFR Title 29 1910.1200. *Label:* Active: Sodium lauryl sulfate 10.2%, sodium chloride 0.85%, potassium sorbate 0.11% Inactive: 88.84% purified water, sugars, yeast, may contain food grade colorants. Non-toxic FIFRA 25b exempt product. Do not take internally, non-flammable. All ingr. GRAS. Contains no SARA Title 3, sec 313 compounds and no CA Prop 65 compounds.

Section 3-Physical and Chemical Properties

Vapor Pressure/Density: <1/NA
Specific Gravity: 1.000 @ 77 degrees F. (25 degrees C.)
Solubility in water: Infinitely Soluble
Volatile Organic Content: Less than trace
Appearance: Slightly opaque green liquid
PH: 3.0-6.0@ 77 degrees F. (25 degrees C.)
Evaporation Rate: <1 (water = 1)
Weight: Approximately 8.6 lb. gallon (3.9 kg/liter)
Odor: Very mild, slightly sweet

Section 4-Fire Fighting Measures

Flammable Properties: Non-Flammable
Flammable Limits: N/A, water based
Hazardous Combustion Products: None known
Extinguishing Method: Water, water fog, foam, carbon dioxide, dry chemical foam
Fire Fighting Instructions: Wear self-contained breathing apparatus and protective clothing.

Section 5-Hazards Identification & First Aid Measures

OSHA, HMIS Hazard Ratings

Ratings Health 0, Flammability 0, Reactivity 0, Personal Protection A (safety glasses)  , refer sec. 8
Routes of Entry: Product may enter via eye contact, skin contact and ingestion or inhalation when sprayed or aerosolized

Potential Health Effects:
Eye: Eye Contact with product may cause irritation. Avoid eye contact.
Skin: Adverse effects are not known to occur. Avoid prolonged skin contact
Ingestion: Swallowing may irritate mouth or throat. Mild nausea or diarrhea may occur if ingested.

First Aid Measures

Eye Contact: Direct contact with eyes may be painful and irritating. Flush eyes immediately with plenty of water. Seek medical attention if irritation occurs.
Skin Contact: Adverse effects are not known to occur. Rinse exposed areas with water.
Ingestion: If swallowed, give 2 glasses of water. Do not induce vomiting. If spontaneous vomiting is inevitable PREVENT ASPIRATION by keeping victim's head below the knees. Seek medical attention if nausea persists.
Inhalation: Adverse affects not known to occur. Remove to fresh air, if breathing is difficult.

Section 6-Stability and Reactivity

Hazardous Polymerization: Will not occur.
Materials to Avoid: None
Hazardous Decomposition Products: None

Section 7-Accidental Release Measures

Large or Small Spill: Spill may cause slippery condition; product is biodegradable, ecologically harmless. Rinse with water if desired.
Waste Disposal Method: Flush with water; safe for sewer disposal; harmless to aquatic, plant and animal life.

Section 8-Exposure Controls, Personal Protection

Personal Protection: **Gloves:** Use good industrial hygiene. Wear gloves when handling this product in bulk.
Safety Glasses: Always wear eye protection. Goggles or safety glasses with side shields are recommended when spraying.

Section 9-Shipping, Handling and Storage

Storage Temperature: Store this product below 120 Degrees F (49 Degrees C), preferably below 75 degrees F (24 Degrees C), in a cool, dry, well-ventilated area away from heat, sparks, flame, oxidizers and out of direct sunlight.
Shipping Precautions: None, this is a water-based, non-flammable, biodegradable, non-toxic product. There are no applicable DOT, IATA, IMDG or TDG regulations on freight or shipment of this product.

Section 10-Other Information

Disclaimer: The information contained herein is based upon data available to us and reflects our best professional judgment. However, no warranty is expressed or implied regarding the accuracy of such information or the results obtained from the use thereof. We assume no legal responsibility whatsoever for any damage resulting from reliance upon this information since it is being furnished upon the condition that the person receiving it shall make his or her own determination of the suitability of the material described herein for a particular application or storage situation. Green Blaster Products urges each customer or recipient of this MSDS to study it carefully to become aware of and understand the hazards associated with the product. The reader should consider consulting reference works or individuals that are experts in ventilation, toxicology and fire prevention as necessary or appropriate to use and understand the data contained in this MSDS. To promote safe handling, each customer or recipient should: (1) notify its employees, agents, contractors and others whom it knows or believes will use this material or the information in this MSDS and any other information regarding hazards or safety; (2) furnish this same information to each of its customers for the product, and (3) request its customers to notify their employees, customers and other users of this product information.
